

St. Paul the Apostle School Tuition Rates 2012-2013

There are two tuition rates at St. Paul the Apostle School:

1) a full rate for those who are not active members of a Catholic Parish, and

2) a discount rate for those who are an active part of a Catholic Parish family, and can provide a Letter from their Pastor stating that they are active members of that parish family as defined by the pastor.

Members of St. Paul the Apostle Parish are considered active members if they:

- *Are registered members of the parish, and
- *Attend Mass at St. Paul's regularly, and
- *Complete and return the Blue Parish Commitment Card Annually, and
- *Support the parish through the regular use of offertory envelopes, and
- *Volunteer in parish or school ministries and activities.

If a family registers at the discount rate but is unwilling to fulfill these requirements during the course of the year, their tuition rate may be adjusted to the full rate upon the examination and discretion of the pastor.
