

DIOCESE OF JOLIET CATHOLIC SCHOOL
Acceptable Use Agreement

The schools within the Diocese of Joliet believe that all students should have access to technology when they act in a responsible, efficient, courteous and legal manner. Internet access and other network services available to students and teachers offer a multitude of global resources. Our goal in providing these services is to enhance the educational development of all our students.

Acceptable and ethical uses of technology are devoted to activities that support teaching and learning. The following is an agreement for the use of technology at
St. Paul the Apostle School

This agreement is an abbreviated version of the Diocese of Joliet Acceptable Use Agreement.
